INDEPENDENT AUDITOR'S REPORT

Report on the Financial Statements

Opinion

1. We have audited the accompanying financial statements of FR. CONCEICAO RODRIGUES COLLEGE OF ENGINEERING unit of SOCIETY OF ST. FRANCIS XAVIER PILAR, BANDRA (the Trust) which comprise the Balance Sheet as at March 31, 2019, the Income and Expenditure Account and Statement of Receipts and Payments for the year then ended, and a summary of significant accounting policies and other explanatory information.
2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Maharashtra Public Trusts Act, 1950 (the Act) in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India :
 - i) in the case of the Balance sheet, of the state of affairs of the unit as at 31st March, 2019;
 - ii) in the case of the Income & Expenditure Account of the Deficit of the unit for the year ended on that date and
 - iii) in the case of Statement of Receipts and Payments, of the receipts and payments of the unit for the year ended on that date

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing ('SAs') issued by the Institute of Chartered Accountants of India. Our responsibilities under those Standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Trust in accordance with the code of ethics issued by the Institute of Chartered Accountants of India together with ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the code of ethics.
4. We have taken into account the provisions of the Act and matters which are required to be included in the audit report under the provisions of the Act and Rules made thereunder.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Management's Responsibility for the Financial Statements

6. The Trustees of the Trust are responsible for the preparation of these financial statements that give a true and fair view of the financial position and financial performance of the unit in accordance with the accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the unit and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgement and estimates that are reasonable and prudent; design, implementation and maintenance of adequate internal financial controls, that are operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.
7. The Trustees is are also responsible for overseeing the Unit's financial reporting process.

Auditor's Responsibility

8. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- i. Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- ii. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion whether the unit has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls.

- iii Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- iv Evaluate the overall presentation, structure and content of the financial statements, include the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

9. We report that :

- i) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
- ii) in our opinion proper books of account as required by law have been kept by the unit so far as appears from our examination of those books;
- iii) the Balance Sheet, the Income and Expenditure account and the Statement of Receipt and Payments dealt with by this Report are in agreement with the books of account of the unit.
